Military Grade
ESD ORTHO MAT®

WORLD'S LEADING
Electro-Static Discharge Anti-Fatigue Matting

This product was designed for protection against Electro-Static Discharge. The rubber mat is conductive for a rapid discharge to the ground. These anti-fatigue mats are scientifically and ergonomically designed to reduce strains, pains, and workers' compensation claims related to prolonged standing.

3/8" Male or Female grounding snap available if needed.
Must order snaps when ordering mats.
