ORTHO 2 MAT

THE WORLD'S LEADING INDUSTRIAL ANTI-FATIGUE MATTING

The Human Resource Manager's Solution to Workplace Safety and Comfort

Reduce slips and falls while improving employee well-being with Ortho Mat®. Designed to minimize strain, fatigue, and discomfort from prolonged standing, it helps create a safer and more productive work environment.

Ortho Mat® is highly durable and resistant to acids, chemicals, and petroleum products—making it an ideal choice for demanding industrial settings. It not only supports employee health but can also help lower worker's compensation claims and related costs.

What truly sets Ortho Mat® apart is its unmatched versatility. With **six different widths to choose from**, it easily adapts to virtually any workspace layout—whether you're outfitting narrow walkways or expansive production areas. And now, with the addition of **5' and 6' wide rolls**, you can cover larger spaces faster, reduce seams, and create a cleaner, more seamless installation.

Ortho 2 Extruded Material by the Foot
